

# Gardiner Yarn Works

## Wavelet Socks

Designed by Chrissy Gardiner

Knit from the toe-up on either dpns or two circular needles, this is a great first cabled sock project. It features a hybrid heel that combines the best of short-row and gusseted heel-flap construction and an illustrated tutorial on Judy's Magic Cast-On for toe-up socks!

### materials

- fingering-weight yarn,

approx 400 yds

- set of 5 size 1 (2.5mm) double-pointed needles or two 24" size 1 (2.5mm) circular needles or size to obtain gauge
