the front ndl together with the next st on the back ndl, then pass the 2nd st on the right ndl over the 1st just as you would for a normal BO; rep from * until all sts are bound off.

3-Ndl BO

This technique is used to join two sets of live sts together. Place one set of sts on one ndl and the other set of sts on another ndl with ndl tips pointing the same way. With WS facing out, use a third ndl to knit together a st from the front ndl and a st from the back ndl. *Knit the next st on
